

Katie Baldwin

(Educational Psychologist)

My job...

I have worked in South Gloucestershire since November 2023 having moved from Plymouth where I had been working for 5 years. Before training to be an Educational Psychologist I worked as an assistant psychologist and a teaching assistant in a special school. I have worked across early years settings, primary schools and secondary schools and with children with a range of special educational needs.

Areas of interest

Early Years work
Working with families
Attachment theory
Inclusive education

My work with ELSA

I previously trained ELSAs in Plymouth Local Authority and am really passionate about the difference ELSA work in schools can make.

I have delivered supervision for a number of years and really enjoy the process. I appreciate how effective supervision can develop ELSA's confidence in supporting the social and emotional needs of the children we work with.

I look forward to meeting you and supporting you on your journey to becoming an ELSA!
